## Customer Reviews

I never knew that there could be a variety of paella recipes. Thanks to this book, I was able to make a new style of this very good dish. When I had to bring my food to share in a party, I don't know what to bring that would really look, and tastes different. So when I search on my saved docs, found this book referred by a friend as well; I tried one of the recipes, and I can't believe that after the gathering, the only thing that I had to do is wash my container of Island Chicken Paella.
