Customer Reviews

This booklet has 16 recipes, about half of them include a photo. I like that where needed, many of the recipes include specific instructions for the differences between electric 12psi, electric 15psi and stovetop pressure cookers. There are a variety of choices that include pork, chicken, beef, shrimp, soup and nuts. There are some very minor formatting issues with the Kindle, the Table of Contents isn't linked and a few fonts change, but overall, it is very nicely done. I'm new to cooking with a pressure cooker, and the variety of traditional favorite foods is appreciated.

This book is great for everyday eating.! You will love to try these extra juicy recipes that are sure to

have you using a bunch of napkins to wipe off all the drippy goodness!

This is a great book--one of my favorites. Good recipes!
