Favorite Birds Laser-Cut Plastic Stencils (Dover Stencils)

Synopsis

Bird designs are among the most popular decorative motifs used by stencilers for craftwork and home decorating projects. The thirteen attractive avian motifs in this easy-to-use collection appear on three durable, clear blue plastic sheets, laser-cut for maximum clarity and greatest durability. Handsome designs depict the scarlet tanager, mallard, hummingbird, flamingo, swan, nuthatch, macaw, cardinal, gull, toucan, heron, and owl, as well as an attractive border of ducks in flight. Ideal for decorating furniture and walls, creating appliqué designs for needlework projects, applying to posters, and for use in a host of other arts and crafts activities, these striking designs can be used again and again with no loss of sharpness or detail.

Customer Reviews

These are better than expected. Very nicely cut and ready to use. They are made of a blue plastic material.
