Customer Reviews

These stencil books are probably hands down THE best bargain on . I bought 9 of them for painting onesies at a baby shower. So much more cost effective than other stencils I considered. Stencils are done on thick stock paper and there wasn't one design that was at all disappointing. Would buy time and time again.

Shapes for an art project I needed. Just what I needed

Love the little stencil books.

All of these little stencil books really are awesome. They are soooo inexpensive and my 6 year old uses them ALL the time. They are really worth it. Happy
