Customer Reviews

Not very impressed by recipes I've tried thus far. I find myself using it for getting ideas, rather than the recipes it provides.

Mediterranean diet is perhaps the tastiest of all the diets one can follow, also there is no sacrificing as much because by default Mediterranean diet uses healthy fats and red wine is recommended :)

The author has done a good job explaining what this diet is all about and dinner recipes look scrumptious.

covers everything you want to know. well laid out AND filled with great ideas

Delicious mediterranean style recipes, very quick and easy to make. Each recipe includes a complete nutrient profile which I love. Great book for anyone trying to eat healthy or lose a few pounds. Great variety of recipes, highly recommended!
