# Surf Cafe Living: Cooking, Entertaining And Living By The Sea

## Synopsis

Jane and Myles Lamberth are living their dream running a bustling seaside cafe, creating a gorgeous home and enjoying a carefree coastal lifestyle. *Surf Cafe Living* is their second book, the follow-up to *The Surf Cafe Cookbook*. It features 50 delicious easy-to-make recipes, with the emphasis once again on using fresh, organic, seasonal produce. Taking his inspiration from the changing seasons, talented chef Myles shows you how to prepare mouthwatering dishes such as Calamari and Chorizo Salad, Spiced Butternut Squash Soup, Pan-Fried Skate with Capers, Coconut Thai Crab Cakes, Roast Spatchcock Chicken with Salsa Verde, Cola Pulled Pork, Polka Dot Cake and Chocolate Raspberry Tart. All the recipes are unfussy and simple to make, with quantities given in both US and metric measurements. Since the release of *The Surf Cafe Cookbook* Jane and Myles have also made a place of their own, transforming a rundown cottage into a contemporary beach house. In *Surf Cafe Living*, they explain how to refashion a living space with passion and creativity, utilising ideas and know-how from local designers and craftsmen. You'll learn how to build a fire pit for barbecues, how to make inventive party decorations, and how to turn coffee sacks into stylish cushion covers. There are also tips from local food producers about making cheese, keeping bees and growing herbs. This book is all about stress-free entertaining. It will inspire you to invite guests around for brunch, throw an impromptu barbecue, or take the next step and host a fabulous dinner party. *Surf Cafe Living* is dedicated to making your house a home and filling it with great friends, family and of course delectable food.

## Customer Reviews

The cookbook is wonderful and it also has other wonderful stories in it.

Fun book for surf themed style in the home. great additional recipes as well. Well worth buying...

A month ago I was a typical guy who could only cook one thing - pasta!! Then my gal saw this book on Amazon and said I should get it. So I did. Good move - now my culinary skills are way better!! The recipes are real easy (aimed at surfers like me) and they are super tasty. Plus there's stuff about making a barbecue pit and going surfing in Ireland....looks fun but cold!! Guys: this book would make a great gift for your lady if she's into surfing and cooking super healthy food.
