## Customer Reviews

This is a very nicely packaged set. The box holds the book on one side and paper on the other. It is very nice quality and I really like the fur patterns. The diagrams are not beginner! I've been doing origami for several years and these are a bit advance but very clear. This is a great book for cat lovers.

What a hit for my nieces birthday. I already have requests for one from my nephew. The instructions were easy and I love that it came with paper.

My granddaughter loved her birthday gift.

Excellent
