I'm so excited for this! I got a coloring book for my two kids AND myself! This is a great way to build positive, empowering practices and thoughts together! I haven't colored in years, but it has been fun, collaborative, and thought-inspiring for me. I thought I was doing it for my kids and I'm getting as much out of it as they are!

So glad The Miracle Morning came out with a positive coloring book! They did such a great job! We received our copies and started coloring away. I bought several copies to give as gifts to my family and friends.

Love this coloring book so much! Brilliant idea to teach kids the power of affirmations! Helping kids to become the best version of themselves through coloring. Love it!!! Can't wait to have a family coloring night!

Such a positive book with beautiful imagery. Will enjoy this on my travels, filling the pages with bright colors to inspire me. A must have for anyone who enjoys a daily dose of mindfulness and inspiration!!!!

What a charming and creative work! Hours of fun and enjoyment for all ages. Highly recommended. *The Miracle Morning Art of Affirmations: A Positive Coloring Book for Adults and Kids*

I love this! Wonderful positive affirmations to color... I like to do this with my kids. Will be buying more to give as gifts!

I have been looking for a coloring book about positive affirmations ever since the adult coloring trend began. I was tired of mandalas and flower gardens. This book reminds me of my blessings, strengths and need to grow and move forward. I intend to use them in coloring parties and give as gifts. The illustrations are creative and easy to color.

If you like Affirmations and coloring, this is a must have!!!! I've been following *The Miracle Morning* for 100 days and it's changed my life, all for the better. When I saw that this coloring book was available I immediately ordered and because I am a Prime customer I was coloring away in two days! I plan to tear some of these out and put into picture frames.
