5 Star Review - "This is a really handy and helpful cookbook! I never really used my crock mostly because I was mostly unaware about vast recipes that the device could make. But this might change all that. Really helpful." - Jamie F.

5 Star Review - "This is prefect for me and my family. We are not morning people and making food in early is always so tedious. But not anymore!" - Jennie L.

5 Star Review - "It's Christmas for me! The set and forget instructions as given in this cookbook is brilliant. Got myself a digital crock-pot the other day and tried the cheese lasagna. Brilliant!" - Phillip P.

I love the because there are so many recipes to choose from and they all sound yummy. These recipes are definitely great during the winter months and I think everyone should give them a try. Time to get cooking!

Downloaded it, need to read it

I'm not sure what the very first thing I ever cooked by myself was, but I remember the disasters. Well, this cookbook help me to learn lots of thing about how to cook and i found inside the book lot's of delicious items which is given with clear processing system. I also read few cookbook and it's also just like those others but this book will be better for me as a beginner if there have images with recipe items. Anyway nice effort of recipe collection.
