My matron of honor gave me *Never Throw Rice at a Pisces* by Stacey Wolf, I think it saved my sanity and probably saved me from my fiance calling off the engagement. I had gotten so wrapped up in all of the nitty gritty details that I was taking all of the fun out of planning the most special day of our lives together.....that is until we have children. Anyway, I highly recommend this book to every bride to read before she starts the process of planning her wedding. I am so thankful for this book, it was so fun to read about our signs and discover what will make us both happy and hopefully relaxed during the process. I'm totally re-focused now and can get back to planning our beautiful wedding with a light heart!

I know from experience: This really is the MOST PERFECT gift for ANY bride or bride-to-be who's planning her wedding *Never Throw Rice at a Pisces: The Bride's Astrology Guide to Planning Your Wedding, Choosing Your Honeymoon, and Loving Every Second of It, No Matter What Your Sign* *Never Throw Rice at a Pisces!* For any bride or bride-to-be or maid of honor planning her wedding, this is a most unique, extremely entertaining, fun and informative gift. It's easy-to-read, fun & affordable, but also informative and easy to use. I've given it to several new brides, and each one has told me she absolutely LOVES-LOVES-LOVES it!! Because it's new and unique, so you can be pretty sure it's something they probably don't have yet. You can't go wrong getting this for any modern woman you know ... yourself included! On a topic that I find is often unbearably stuffy, *Never Throw Rice at a Pisces* is a wonderful breath of fresh air. You don't have to believe in astrology to enjoy Ms. Wolf's take on a great wedding planning guide. The case studies she uses throughout make for interesting reading, and her breezy tone lightens up what for many is a stressful topic. This is a great bridal shower gift - you will find it being passed around and discussed as everyone wants to see what they can expect from their Aries mother-in-law or as they look for music ideas that will appeal to their Gemini fiance. Should be a new standard in the wedding planning canon.

Never Throw Rice at a Pisces by Stacey Wolf, is a delightful book given to me, while planning my own upcoming wedding. I enjoyed the light hearted way she explains why we astrologically make the choices we make. From cover to cover, I found it fun, entertaining, full of information and

recommend giving it as a gift, to bring smiles to brides to be, who are in the process of planning their weddings.
